**PRESS RELEASE**

Bucharest, June 28, 2019

**Top Shanghai confirms for the third consecutive year the Bucharest University of Economic Studies' position of leader of Romanian economic higher education institutions**

The Bucharest University of Economic Studies is present for the third consecutive year in the most prestigious academic ranking in the world – Top Shanghai 2019, with notable results in the fields of Economics, Business Administration, and Management.

ASE is ranked 201-300 in the field of Economics, where the first three positions are held by American universities - University of Chicago, Harvard University and University of California, Berkeley; ASE outranks leading universities such as Complutense University of Madrid (Spain), HEC Paris (France) and Lancaster University (Great Britain). According to the same classification, ASE is ranked 201-300 in the field of Business Administration, and 401-500 in the field of Management.

Shanghai Ranking's Global Ranking of Academic Subjects 2019 was published on June 26, 2019 and evaluates over 4000 universities in 86 countries and 54 subjects in the following fundamental domains: natural sciences, engineering, life sciences, medical sciences, and social sciences. The ranking criteria are: the number of papers authored by an institution in an Academic Subject, the citation impact from InCites database to measure average impact of papers authored by an institution in an Academic Subject, the percentage of internationally collaborated papers authored by an institution in an Academic Subject, the number of papers published in top journals in an Academic Subject, and the total number of the staff of an institution winning a significant award in an Academic Subject.

The constant performance of the Bucharest University of Economic Studies in renowned international rankings attests to the quality of education and research processes undertaken by the university at all study cycles. For the 2019 Admission, ASE offers over 7200 enrollment numbers for Bachelor's programs, more than 4400 enrollment numbers for Master's and MBA programs, and approximately 380 enrollment numbers for Doctoral programs.
