

Summer Schools organized by ASE in 2023

The Japanese Language and Culture Summer School

On June 26-30, 2023, the 8th edition of the Japanese Language and Culture Summer School is organized and coordinated by PhD Associate prof. Raluca Nicolae from the Department of Modern Languages and Business Communication, ASE's Faculty of International Business and Economics. Students from all of ASE's Faculties are invited to participate in Japanese language classes and cultural workshops of Japanese mythology, origami, karaoke, manga etc.

Data Science International Summer School

Between July 20-28, 2023, the fourth edition of the “Data Science International Summer School” initiated by the International Relations Division of the Bucharest University of Economic Studies is hosted by ASE’s “I.Gh. Roșca” Training Center Complex in Predeal. The summer school brings together renowned professors, researchers and participants from several countries, to analyze for more than a week, topics of particular importance at the moment, such as artificial intelligence, machine learning, data analytics. The goal of the summer school is to familiarize participants with the key paradigms of data science so that the former become able to use the latter in everyday life. [Website...](#)

17th Bucharest Summer University

During August 13-27, 2023, the Bucharest University of Economic Studies (ASE), the Bucharest University of Economic Studies Students' Union (USASE) through the Students' Senate, organize the 2023 edition of the Bucharest Summer University. Together with speakers and professors from top universities and companies around the world, more than 40 participants are to spend 2 weeks in the campus of the Bucharest University of Economic Studies, including one extended weekend to explore particular destinations across the country. This year's topic is "Corporate Sustainability Reporting. Challenges & Opportunities". At the end of the two weeks period of courses, seminars, workshops and debates and after passing a final exam, the participants will receive 5 ECTS. For details, please access the following webpage: <https://bsu.ase.ro/>.
