ASE in Times Higher Education World University Rankings 2024

Bucharest, September 27, 2023

For the fifth consecutive year, the Bucharest University of Economic Studies is ranked 1st in Romania and 801 – 1000th overall, according to the prestigious Times Higher Education World University Rankings 2024.

The Bucharest University of Economic Studies - the leader of Romanian economic and public administration higher education in Romania, is ranked 1st in Romania for the fifth consecutive year and 801 – 1000th overall, according to the 2024 edition of the prestigious Times Higher Education World University Rankings, published on September 27, 2023.

The Bucharest University of Economic Studies maintains its position as a national leader - a performance that honors its academic community. ASE's international results are achieved through the remarkable efforts of all members of the academic community.

The 20th annual edition of THE World University Rankings includes nearly 2,000 universities from around the world, following the evaluation of 2,673 institutions from 127 countries, a record in recent years.

The international ranking agency considers five main aspects to define the ranking methodology: the teaching and learning environment, the research environment, the quality and influence of research, the transfer of knowledge to industry and the international perspective of the university.

World University Rankings 2024

The Times Higher Education World University Rankings 2024 include 1,904 universities across 108 countries and regions.

The table is based on our new WUR 3.0 methodology, which includes 18 carefully calibrated performance indicators that measure an institution's performance across five areas: teaching, research environment, research quality, industry, and international outlook.
