ASE in the Study Abroad Aide's World University Rankings 2025

Bucharest, October 10, 2024

The Bucharest University of Economic Studies is ranked third in Romania by the Study Abroad Aide's World University Rankings 2025, and 948th overall out of 8536 universities around the world. ASE's permanent efforts to facilitate integration and the promotion of an academic environment favorable to international students are recognized by this recently published ranking.

The ranking evaluates 8536 universities from around the world based on criteria such as: reputation, number of international students and total number of students and aims to provide a comprehensive list of higher education institutions that provide high-quality educational experiences for international students, so as to help the latter in the decision-making process accompanying academic choices.

To measure academic reputation, the SAA World University Ranking relies on data from leading global rankings: Times Higher Education World University Rankings, QS World University Rankings, and US News & World Report Best Colleges.

At national level, Romania is present with 73 universities, nine of which are members of the Universitaria Consortium: the University of Bucharest, the "Babeş-Bolyai" University of Cluj Napoca, ASE, the "Dunărea de Jos" University of Galaţi, the "Alexandru Ioan Cuza" University of Iaşi, the West University of Timişoara, the University of Craiova, the "Lucian Blaga" University of Sibiu, the "Ovidius" University of Constanţa.

The position held by ASE is a token of the University's international prestige and the recognition of the institution's significant efforts for harmonizing university performance with the teaching and research standards at the level of the highest rated universities in the world.
