**Distinguished colleagues,
Dear students,**

We begin the 2025-2026 academic year with optimism and confidence in the potential of our academic community, a benchmark of economic and public administration higher education in Romania.

Congratulations to the over 10000 first-year students who have chosen the Bucharest University of Economic Studies to build their professional future with! May you have faith in your ability to reach your highest goals through learning and ambition!

May we all have a wonderful academic year, in good health, and outstanding professional achievements, to match the aspirations of each of us – students, academic and administrative staff members! Together we are a team that can contribute with dignity to the tradition of over a century of the country's first economic University.

Best of luck, dear friends!
